

Yuva Samvad

Main Event

Yuva Samvad is a dynamic event that fosters discussion and debate between the judges and participants on pressing social issues. It combines elements of a trial court and town hall style discussion, encouraging critical thinking and innovative solutions.

Participants will have the opportunity to showcase their research and advocacy skills in a simulated trial setting, while engaging in meaningful discussions with peers and expert judges. It's an exciting opportunity to challenge your peers, showcase your skills, and be a part of the solution.

Winners will be decided on the basis of the level of discussions, the way in which ideas are presented and on many more factors. Every winner will be receiving exciting gifts and prizes.

Start Date: 02 April 23, 4:00 PM IST (tentative)

End Date: 02 April 23, 7:00 PM IST

Location: BITS Pilani, Pilani campus (Room no. TBD)

All that you need to know

Guidelines of The Event:

- Each team must consist of 2-5 members.
- The team leader of the team will remain the single point of contact for the competition.
- A participant can register only in one team, multiple entries are not allowed.
- Team members can be from different programs and Institutes.
- Teams will be judged and winners will be announced based on their presentations to the panel and responses in the Q&A session conducted just after the presentation.
- The decision made by the panel will be the final.

ROUND -1 (A Quiz Competition)

- Participation in the quiz implies that participants accept the integrity of these rules. Non-compliance with the rules results in the automatic cancellation of participation in the quiz
- Questions will majorly be based on social awareness and mental ability.
- The final call of selection will lie in the hands of the committee and the committee will have final say in the selection. No requests will be entertained after the decision has been taken.

ROUND -2 (A Debate Competition)

- The teams qualified after the quiz will be divided into pairs of two.
- Each pair will be given a topic out of a pool of topics already given to them and will have 2 min to structure their ideas. Sides of the debate will be decided by the jury.
- Each team will first be given 2.5 min to present their opening statement.
- After both the teams have presented their respective sides, team A will get 1 min to cross question the other (team B) on their view. Team B will be given 2 mins to answer the question and vice versa.
- Team should abide by the time limit given.
- Final decision will be made by the jury.

Eligibility:

- Team members can be from different organisations and Institutes.

Result Declaration:

During the closing ceremony of CdY(02/04/2023)
